*Thank You for listening
Northwest Ohio & Southeast Michigan!*

The Jazz Brunch® with Suzanne Carroll began in 1994 on WJZE radio in Toledo, Ohio which at the time was a Smooth Jazz radio station. As the jazz radio format disappeared from

Through the years I have taken the programming of The Jazz Brunch® from primarily smooth jazz to a broader blend of the entire jazz genre creating a perfect Sunday morning blend!

The jazz is all chosen from my personal CD collection, and throughout the last decade my musical tastes, exposure, and therefore my collection of great jazz music has broadened immensely! There are so many talented musicians to choose from. I am really having a great time programming this show!

I've also enjoyed so very much the stories from you, my jazzy listeners, about the ways you and your families take in the jazz on Sunday. Everything from reading the paper, to cooking great brunches, to playing board games with the family, to cleaning the house! It's so nice to know The Jazz Brunch plays such a cool role in your Sunday mornings!

The last 10 years have been a true joy for me, and I thank you so much for tuning in all these years to The Jazz Brunch!

Suzanne
